

INTER ADV

11-13yrs

Our Inter Adv students are further encouraged to explore the world of dance, music and the arts with multiple genre options and performance opportunities. We love to foster and nurture their joy and love for the arts whilst furthering their technique and strength through structured syllabi and programs. By creating lifelong friendships and connections with their teachers, Inter-level students are nurtured with developing their confidence and self-belief in our warm environment.

Inter students are encouraged to perform in their bi-annual musical and annual end of year production! Other opportunities await such as the Vocational Training Program and Theatrical Production Program.

Ballet - The foundation to all Dance Styles! in this class, our dancers build on their ballet technique using creative role play, costumes, props and will thrive from positive reinforcement. There are opportunities for students in this class to participate in ballet exams which will encourage them to progress through the program / syllabus and work hard to move up into the next graded level. WPAS Students study the Cecchetti Method of Classical Ballet and have the opportunity to present for their Cecchetti International Ballet Examinations each year.

Lyrical - Movement that flows and connects to music, usually with a story and theme, using a combination of ballet and contemporary techniques. Students develop style, grace and a sense and 'feeling' for their movement & connecting to the music.

Contemporary - With the progressive and engaging Jason Winters Contemporary Syllabus taught in graded classes, students are getting an awesome developmental grounding technique that will add value to any style and genre of dance. Also includes a piece of choreography for each level that will really excel and develop performance styles.

Hip Hop - Funky moves with a focus on Hip Hop technique , flavour and style. Students are encouraged to develop their own individual movement.
