

# SENIOR PROGRAM 14YRS+

Our Senior students train at an elite level in class with multiple genre options and performance opportunities. We love to foster and nurture their joy and love for the arts whilst furthering their technique and strength through structured syllabi and programs. By creating lifelong friendships and connections with their teachers, seniors students are nurtured with developing their confidence and self-belief in our warm environment. Senior students are encouraged to perform in their bi-annual musical and annual end of year production! Other opportunities await such as the Vocational Training Program and Theatrical Production Program.

**Ballet** - The foundation to all Dance Styles! in this class, our dancers build on their ballet technique using creative role play, costumes, props and will thrive from positive reinforcement. There are opportunities for students in this class to participate in ballet exams which will encourage them to progress through the program / syllabus and work hard to move up into the next graded level.

**Lyrical** - Movement that flows and connects to music, usually with a story and theme, using a combination of ballet and contemporary techniques. Students develop style, grace and a sense and 'feeling' for their movement & connecting to the music.

**Contemporary** - With the progressive and engaging Jason Winters Contemporary Syllabus taught in graded classes, students are getting an awesome developmental grounding technique that will add value to any style and genre of dance. Also includes a piece of choreography for each level that will really excel and develop performance styles.

**Hip Hop** - Funky moves with a focus on Hip Hop technique, flavour and style. Students are encouraged to develop their own individual movement. A fun, energetic class pushing boundaries with shapes and expression. Keeping Grounded yet also Energetic, this class is great for any one wanting to move freely in a modern / commercial way

**Jazz or Kicks Leaps Turns** - Our Jazz students are building on the basics of jazz technique to popular and age-appropriate music. Some examples of the techniques our jazz students will learn include turns, kicks, leaps and body isolations, combinations, and developing strength flexibility and coordination.

**Tapatak Oz** - Our progressive tap classes will have students learning the basics of tap technique, developing style, accent, as well as building on their sense of rhythm and their confidence, when it comes to performances. Our tappers love dancing to popular age-appropriate music and getting LOUD!

**Acro** - Acro class develops dancers gymnastic and calisthenic abilities within a dance structure! The perfect class for those dancers who want to learn acrobatic skills, tumbling and flips. Our instructor is qualified with Acrobatic Arts Australia. Must be enrolled in another class at WPAS to register for this class.
