

# PRESCHOOL PROGRAM 3-5yrs

Our preschool classes offer variety within each class. With a new class focus every week, young students begin to learn the basics of understanding concepts of pitch, dynamics and rhythm, learn to read basic music notation and build confidence and a love of singing, moving and dancing. Physically, they develop coordination, strength and flexibility. Stickers and certificates reward the levels achieved and provide a guide for assessable standards, but the enormous fun and huge smiles reflect what the classes are really about! At the end of every year, we celebrate our pre-schoolers with either their own in-house Concert & Tea Party or they join the big kids on stage!

We do some warming up, stretching, progressions across the room (including skips, kicks and basic turning skills) singing and music as well as putting together a dance for the recital/concert.
